When the topography of the land is explained by four delegates with maps and personal exidence all sensible men and scientists like Major Maxey will exclaim at once that Fort Bend county's examples from overflow this year is because of her rumerous large dy bayonu that run parallel with the Brasos river, with beds in many instances, as large aimest as the bed of the river, to receive end carry off the water.

During the past fifty years hundreds of sickly people have been restored to health by the use of Hostetter's Stomach Bitters, and it will do the same for you today. Try a bottle, it will be enough to convince you of its wonderful value as a cure for Dizziness, Indigestion, Dyapspia, Constipation and General Weakness. The genuine has our Private Stamp over the neck of the bottle.

HOSTETTER'S

Indigestion is often caused by overesting. An eminent authority says the harm done thus exceeds that from the excessive use of alcohol. Eat all the good food you want but don't overload the stomach. A weak stomach may refuse to digest what you eat. Then you need a good digestant like Kodol, which digests your food without the stomach's aid. This rest and the wholesome tonics Kodol contains soon restore health. Dieting unnecessary. Kodol quickly relieves the feeling of fulness and bloating from which some people suffer after meals. Absolutely cures indigestion.
